MALT/Equipping Today's Leaders is coming again with new classes and a new format for 2009.

For over 10 years Metro Area Leadership Training has encouraged, inspired and prepared church leaders to be the best they can be to the glory of God. This year we've changed the format to a Saturday morning with three 50 minute class sessions.

Participants may choose from over 40 classes to attend and then have the option of staying afterwards for lunch and "debrief" with other leaders.

Child-care is available up to 3rd grade BY CALLING 816-353-1994 and letting them know your needs.

Go to www.kcmalt.info to download a complete listing of classes and descriptions.

MALT is Equipping Today's Leaders to help them excel in their God-called areas of service. The call to serve is a call to prepare. Don't miss this opportunity to hone your skills and sharpen your readiness.

See you at MALT!
